

ESPEJO SOAP DISPENSER

SPECIFICATIONS

Touch-free electronic soap dispenser for concealed installation behind the mirror. Activated by infrared sensor. Chrome plated spout. Includes a 1 liter soap bottle and bottle support. To be used with non-proprietary soap for maximum savings. Adjustable settings by remote control: Soap dosage, soap tank refill, temporary off and reset to factory settings.

OPERATION

Touch-free electronic soap dispenser operated by infrared sensor. The soap dispenser automatically activates when users place their hands within sensor range, providing a measured amount of soap (adjustable by remote control). If the users remove the hand before the full amount is dispensed, the soap dispenser immediately stops the soap flow.

APPLICATION

The concealed, easy installation behind the washroom mirror offers an elegant, sleek and minimalistic design, ideal for office buildings, hotels and leisure sites, airports and transportation hubs and luxurious commercial locations.

PRODUCT AT A GLANCE
