

MIRANDA N WALL MOUNTED TOUCH-FREE WALL MOUNTED FAUCET

SPECIFICATIONS

Touch-free wall-mounted electronic faucet. For cold or premixed water. Chrome plated body, other finishes available. Activated by concealed sensor built into the spout. Filter included. Sensor includes a low battery indicator. Adjustable settings by remote control: sensor range, security time, delay in, delay out, on-off and reset to factory settings.

OPERATION WITH PROXIMITY SENSOR

Touch-free electronic faucet. The faucet is automatically activated when users place their hands in the sensor range and stops when the users remove their hands.

OPERATION WITH WAVE ON-OFF SENSOR

Combining an elegant design with vandal-resistant features. Easy installation. Long lasting even in the harshest installation sites. Helps washrooms stay clean and saves water. Prevents cross contamination. Ideal for offices, hotels and restaurants. Paired with MIRANDA WALL SOAP DISPENSER touch free soap dispenser, it creates a germ-free and automated environment.
